Subject FW: THANK YOU!!

Tami,

Very nice. I assume that this is for "thank you" notes.

If so, can Jack Hobson, Pres. Nondalton Tribal Council, get a note that says essentially "sorry we missed you, and we look forward to seeing you at the next government-to-government meeting with EPA?" I believe that I said that he could not attend due to "personal matters." He is in cancer treatment (though you don't need to mention that.) It took precedence. I am sure he would appreciate a note, even though it might require a bit of different text.

Because Nondalton is the closest village to the Pebble claims, he was one of the first tribal leaders to see the issues coming. We often forget such things when so much of the discussion centers on commercial fishing.

I am glad that EPA came. The staff got to see that the Tribes are an important piece of the overall picture, united by subsistence culture, and working with others, on issues of common concern.

Thanks,

Jeff Parker

Tami - this is what we recalled from our memory.

Aleknagik - Daniel Chythlook, President
Clark's Point - Harry Wassily, Tribal President and Sharon Clark, Tribal Administrator
Ekwok - Luki Akelkok (President) & Richard King (Tribal Administrator)
Koliganak - Bobby Larson, Tribal Council

New Stuyahok - Dennis Andrew, President Tribal Council, and Peter Christopher, Tribal Council Member

Levelock - Angie Chukwak, Council member

Portage Creek - Mary Ann Johnson, Tribal Administrator

Manakotak - Ferdinand Sharp, City Council President

Nondalton - Jeff Parker (Lawyer b/c Jack Hobson could not make it)

Curyung - Thomas Tilden, 1st Chief

There were many more tribal government officials in the audience that did not go up and speak. I saw Twin Hills Tribal Government (Loulare Moore and Debbie Moore) and from Manakotak Leona Black and Jeweline Ayojiak.

Tom: Do you any on your list that spoke up during the Tribal Government portion on the agenda that is not listed below?

Kim

Good Afternoon!

Yesterday was really amazing, I wish we had more time to talk, but we (Patty and I) will be back in a couple of weeks. I really look forward to that visit. I can't thank you enough for all of the effort that went into making yesterday a total success. Thank you Thank you Thank you! EPA felt very welcomed and appreciated all of the amazing food and all of the people who took their time to come and share their concerns. I know that this visit will stay with the Administrator for some time. I also feel that this is just the beginning. I hope that we can continue to develop our Government to Government and community relations.

I could use your help in identifying a few people. The sign in sheet never made it all the way around the room and so I am having a hard time identifying who the tribal representatives were that spoke. If you could please tell me who the speaker was for the following that would really help.

Aleknagik - Daniel Chythlook, President

Clark's Point - Sharon? & ?

Ekwok - Luki Akelkok (President) & Richard King (Tribal Administrator)

Koliganak - Bobby Andrew (role on Tribal Council?)

New Stuyahok - Sally Gumlickpuk (VP) & Peter Christopher

Levelock -

Portage Creek - Marian Johnson

Manakotak - City Council President

Nondalton - Jeff Parker (Lawyer b/c Jack Hobson could not make it)

Curyung - Thomas Tilden

Did I miss any of the tribal government speakers?

Lisa Jackson is asking for this information.

Thank you again! I look forward to seeing you again soon.

Sincerely,
Tami
